There is a tricky quarter mile climb at the one mile mark with a 28 foot elevation gain to contend with on the way out. Which do you choose – remain in your aero tuck, or stand and dance on the pedals? The finish line has been moved north of town for safety. Racers leave every :30 seconds. The “Open” category is for any eligible racer. USA one day licenses are required and will be available at registration. Prizes for the fastest man/woman 19 & under, 20-29, 30-45, 46 & up. Racers in the open category may use any bike that qualifies under USA Cycling rules. The course starts at 300 Market St.

We will be using a “rolling enclosure” with Millersburg Police, motorcycle marshals, pace cars, and wheel vans will provide lead and sweep duties. If you get dropped, stay to the right and abide by the rules of the road!

Feed zone will be at 200 Market St. **Start/Finish line at 400 Market St.**

STAGE POINTS – 1st-1pt, 2nd-2pt, 3rd-3pt, 4th-4pt, 1 pt more for each consecutive position thereafter. The rider with the lowest cumulative points will be the winner of the GC. If there is a tie for the GC points, the best place finish on the Road Race will determine the winner. You must complete each stage to be eligible for the next. BAR Points will be awarded for each completed stage, not for the GC. If there are less than 15 registered racers for any one category, the purse will be reduced to 50% of registration for that category.
